The Carmarthenshire Fishermen's Federation & Greenpeace Plastic Free Rivers Pledge

Dear Sir

Thank you for your recent e-mail and very informative letter regarding the excellent work of Carmarthenshire Fishermen's Federation in its action in actively cleaning up our rivers.

I am delighted to support the important Greenpeace Plastic Free Rivers Pledge. I would be grateful if you would keep me updated on the local work and future activity of CFF.

Best wishes,

Jonathan Edwards AS/MP
